

Declaration of Conformity

Heldon Products declares that the following products have been manufactured in accordance with EU Directive 97/23/EC.

Conformity and Assessment Procedure followed: (ref. annex II / annex III - 97/23/EC)

Part Number	Part Description	Registered Ps (bar)	Volume V (Litre)	Ps x V	Module
3000-032	Filter Drier Solid Core- 1/4 MSAE	42	< 2	84.0	A
3000-033	Filter Drier Solid Core - 3/8 MSAE	42	< 2	84.0	A
3000-052	Filter Drier Solid Core - 1/4 MSAE	42	< 2	84.0	A
3000-053	Filter Drier Solid Core - 3/8 FLARE	42	< 2	84.0	A
3000-082	Filter Drier Solid Core - 1/4 MSAE	42	< 2	84.0	A
3000-083	Filter Drier Solid Core - 3/8 MSAE	42	< 2	84.0	A
3000-084	Filter Drier Solid Core - 1/2 MSAE	42	< 2	84.0	A
3000-162	Filter Drier Solid Core - 1/4 MSAE	42	< 2	84.0	A
3000-163	Filter Drier Solid Core - 3/8 MSAE	42	< 2	84.0	A
3000-164	Filter Drier Solid Core - 1/2 MSAE	42	< 2	84.0	A
3000-165	Filter Drier Solid Core - 5/8 MSAE	42	< 2	84.0	A
3000-303	Filter Drier Solid Core - 3/8 MSAE	42	< 2	84.0	A
3000-304	Filter Drier Solid Core - 1/2 MSAE	42	< 2	84.0	A
3000-305	Filter Drier Solid Core - 5/8 MSAE	42	< 2	84.0	A
3000-306	Filter Drier Solid Core - 3/4 MSAE	42	< 2	84.0	A
3000-413	Filter Drier Solid Core - 3/8 MSAE	42	< 2	84.0	A
3000-414	Filter Drier Solid Core - 1/2 MSAE	42	< 2	84.0	A
3000-415	Filter Drier Solid Core - 5/8 MSAE	42	< 2	84.0	A
3000-416	Filter Drier Solid Core - 3/4 MSAE	42	< 2	84.0	A
3000-754	Filter Drier Solid Core - 1/2 MSAE	42	< 2	84.0	A
3000-755	Filter Drier Solid Core - 5/8 MSAE	42	< 2	84.0	A
3000-756	Filter Drier Solid Core - 3/4 MSAE	42	< 2	84.0	A

Technical Standards and Specifications applied:

EN 14276-1
AS 2971
UL 207

Compliance to EU Directive 2002/95/EC (RoHS)

Heldon is proactively supporting these environmentally important initiatives from the European Union by taking every step to ensure that their products are RoHS compliant:

- Heldon Pressure Vessels (Liquid Receivers, Suction Accumulators, Discharge Mufflers, etc) do not intentionally include any of the 6 (six) restricted substances.
- The use of LEAD in copper alloys (Brass) and solder used in Heldon Products is as allowed in the Annex of RoHS 2002/95/EC.
