

Declaration of Conformity

Heldon Products declares that the following products have been manufactured in accordance with EU Directive 97/23/EC.

Conformity and Assessment Procedure followed: (ref. annex II / annex III - 97/23/EC)

Part Number	Part Description	Registered Ps (bar)	Volume V (Litre)	Ps x V	Module
3022-033S	Burnout Filter Drier - 3/8 ID - Dual Access Ports	32	< 2	64.0	A
3022-082S	Burnout Filter Drier - 1/4 ID - Dual Access Ports	32	< 2	64.0	A
3022-083S	Burnout Filter Drier - 3/8 ID - Dual Access Ports	32	< 2	64.0	A
3022-084S	Burnout Filter Drier - 1/2 ID - Dual Access Ports	32	< 2	64.0	A
3022-162S	Burnout Filter Drier - 1/4 ID - Dual Access Ports	32	< 2	64.0	A
3022-163S	Burnout Filter Drier - 3/8 ID / Dual Access Ports	32	< 2	64.0	A
3022-164S	Burnout Filter Drier - 1/2 ID - Dual Access Ports	32	< 2	64.0	A
3022-165S	Burnout Filter Drier - 5/8 ID - Dual Access Ports	32	< 2	64.0	A
3022-304S	Burnout Filter Drier - 1/2 ID - Dual Access Ports	32	< 2	64.0	A
3022-305S	Burnout Filter Drier - 5/8 ID - Dual Access Ports	32	< 2	64.0	A
3022-306S	Burnout Filter Drier - 3/4 ID - Dual Access Ports	32	< 2	64.0	A
3022-307S	Burnout Filter Drier - 7/8 ID - Dual Access Ports	32	< 2	64.0	A
3022-309S	Burnout Filter Drier - 1-1/8 ID - Dual Access Ports	32	< 2	64.0	A
3022-414S	Burnout Filter Drier - 1/2 ID - Dual Access Ports	32	< 2	64.0	A
3022-415S	Burnout Filter Drier - 5/8 ID / Dual Access Ports	32	< 2	64.0	A
3022-416S	Burnout Filter Drier - 3/4 ID - Dual Access Ports	32	< 2	64.0	A
3022-417S	Burnout Filter Drier - 7/8 ID - Dual Access Ports	32	< 2	64.0	A

Technical Standards and Specifications applied:

EN 14276-1
AS 2971
UL 207

Compliance to EU Directive 2002/95/EC (RoHS)

Heldon is proactively supporting these environmentally important initiatives from the European Union by taking every step to ensure that their products are RoHS compliant:

- Heldon Pressure Vessels (Liquid Receivers, Suction Accumulators, Discharge Mufflers, etc) do not intentionally include any of the 6 (six) restricted substances.
- The use of LEAD in copper alloys (Brass) and solder used in Heldon Products is as allowed in the Annex of RoHS 2002/95/EC.
